

TOMISLAV BRDARIĆ

JUNIOR FRONT-END DEVELOPER

Enthusiastic front-end developer seeking an entry-level position within a team where I can apply my skills in coding and develop quality solutions. With a passion for both personal growth and for software development, my aim is to continuously expand my current knowledge, learn new coding languages, and sharpen my existing skills. I am always eager to tackle more complex problems and continue to find ways to maximize user efficiency.
